

## Saint Margaret School Gift Card Fundraiser Information 2011-2012

The Gift Card program is a simple, painless fundraiser for Saint Margaret School. There is no selling, and it costs no extra money.

### ***How does it work?...***

SMS has partnered with the Great Lakes Scrip Center (GLSC). GLSC purchases gift cards in bulk from national retailers at a discount. SMS families and friends purchase the gift cards at face value. The difference between the discounted price and the face value – from 2 to 15 percent or more – is rebated to the school.

That's it! No catch! The school earns "free money" when you use gift cards for your regular household purchases and gift-giving needs. There are hundreds of local and national retailers for groceries, gas, clothing, and more!

### ***How do I purchase gift cards?...***

This year, there will be 3 ways to purchase gift cards:

- 1) Weekly orders for local grocery stores, Target, Walmart, and Wawa
  - Submitted via paper forms that are available on the school website under HSA and at both campus offices
  - Order forms must be submitted to the school office with payment
  - Orders submitted by Monday will be delivered Wed-Fri of the same week
- 2) Monthly orders online for *all* retailers
  - Go to <http://www.shopwithscrip.com>
    - a. Use enrollment code DABC852917728 to set up your account. (*Online accounts are already created for families that have previously ordered. Username=email address; Password=telephone number*)
    - b. Print the confirmation sheet, note the delivery method, and send to the school office with your payment.
  - Confirmation sheets with payment due the 3<sup>rd</sup> Friday of every month (*\*special schedule for December*)
  - Gift cards will be delivered the following week
- 3) Cash and Carry events
  - A selection of the most popular gift cards are available for immediate purchase at the school
  - School-wide email alerts are sent with days and times of the events

*For weekly and monthly orders, gift cards can be delivered home with your student/s or picked up in the school office. The delivery method should be specified on the order form/confirmation sheet.*

*For all orders and Cash and Carry, only cash and checks are accepted. Checks must be made payable to [Saint Margaret HSA](#).*

### ***Where can I get more information?...***

If you have questions, new ideas for the program, or would like to join our team, please email the SMS Gift Card coordinators at [smsgiftcards@gmail.com](mailto:smsgiftcards@gmail.com)

Thank you for supporting Saint Margaret School!
